

UNITED STATES DISTRICT COURT
DISTRICT OF SOUTH CAROLINA

IN RE: COURT OPERATIONS IN RESPONSE TO COVID-19)))))	Order Vacating <i>Sixth Amended</i> Standing Order and Resuming Normal Pre-Covid Court Operations with Presiding Judge Discretion Misc. Number: 3:22-mc-160-RBH
--	-----------------------	--

The continuing and evolving COVID-19 national public health emergency circumstances are improving with the availability and accessibility of the COVID-19 vaccine. Therefore, the Court finds it appropriate to vacate its Sixth Amended Standing Order (see Misc. No. 3:21-mc-00337-RBH) prescribing special court operations in response to COVID-19. The Court will resume its normal pre-Covid-19 operations in regard to civil, criminal, and grand jury proceedings. Presiding judges still have discretion with regard to matters before them and COVID-19 precautions or mitigation measures they may wish to take (masks, distancing, plexiglass, etc.).

IT IS SO ORDERED.
