Request for Quote – Cyclical Maintenance
Columbia – USPO Divisional Office

RFQ Number: 22-USPO-CMI
Request Date: June 30, 2022
Revised Date: July 7, 2022

To: All Qualified Bidders

Attached is a request for **open market pricing** to complete a project for the United States Probation and Pretrial Services for the District of South Carolina. The project will consist of replacing carpet and cove base. This request will be competitively bid among several vendors.

IMPORTANT: This is a request for quote (RFQ). If you are unable to submit an offer, please indicate so on this form and return it to the Contracting Officer listed below. This request does not commit the government to pay any costs incurred in the preparation of the submission of your offer or to contract for supplies or service should none of the vendors meet the necessary specifications.

A Pre-Bid tour will be conducted on Thursday, July 7, 2022 at 10:00 a.m. local time at 1835 Assembly Street, Suite 611 in Columbia. All parties will meet in the sixth floor elevator lobby.

Proposals must be delivered to the Contracting Officer (CO) listed below by **Friday, July 29, 2022 at 4:00 PM** local time. Mailed, hand-carried, or e-mailed quotes will be accepted and must be received by the date and time noted above. Any proposal received after the above listed date will not be accepted.

A firm fixed price award from this RFQ may be made based on the lowest-priced, technically-acceptable offer. Vendors are urged to submit their best and final offer because no negotiations will take place after offers are received.

Proposal submissions and questions concerning this RFQ should be addressed to:

Yvonne Rojas, Contracting Officer
U.S. Probation Office
1835 Assembly Street, Suite 611 and
Columbia, SC 29201
803.253.3010

Michael Ward, Courthouse Project Coordinator
U.S. District Court
901 Richland Street
Columbia, SC 29201
803.253.3635
michael_ward@scd.uscourts.gov

All questions regarding the RFQ must be received via email by Thursday, July 14, 2022 at 4:00 p.m. local time. All questions will be answered by email to all solicited vendors and any additional parties responding with questions to the public posting.

Sincerely,

Yvonne Rojas

Request for Quote – Cyclical Maintenance
Columbia – USPO Divisional Office

1) PARTIES

- a) Contractor. The “contractor” includes the contractor, employees of the contractor, any subcontractor/supplies, or employee of any subcontractor/supplier who provide services to the court on behalf of the contractor at a specified price.
- b) Court. The “court” includes one or all of the following judicial agencies in the District of South Carolina: the district court clerk’s office, the bankruptcy court clerk’s office, the probation office, and the pretrial services office.
- c) General Services Administration. GSA is an independent federal government agency that leases space to other federal government agencies, including the court.

2) STATEMENT OF WORK

The Statement of Work (SOW) for this RFQ includes all labor, supervision, tools, materials, equipment, transportation, and incidentals required and/or implied for the complete and satisfactory performance to facilitate the below items. The specific details are outlined below and in Attachment No. One (Architectural drawings). This project will be scheduled concurrently with another solicitation to repaint walls throughout the space. Contractor for this scope of work will work closely with POC to coordinate the construction calendar with the painting contractor/s.

Item One – Pre-Alteration Asbestos Testing

Prior to the start of work, a pre-alteration asbestos assessment survey of the work area shall be conducted in accordance with GSA Policy PBS 1000.1A dated April 11, 2022. Survey results shall be transmitted to the POC, who will forward it along to GSA. In the event ACM is discovered, the work must stop to allow GSA to complete any necessary abatement at no cost to the contractor. Once the abatement is completed, the contractor will be able to proceed with the project.

Item Two – Carpet Demo and Installation

Contractor will be responsible the following items during each phase:

- Remove and dispose of existing carpet tile in all areas.
- Move/relocate and replace all furniture, furnishings, boxes, and equipment (except for computers and safes) necessary to complete installation of flooring.
- Adjust raised flooring system as necessary to ensure level and uniform finish.
- Install owner-furnished Bentley 24” sq. carpet tile. Carpet shall be installed in pattern determined by USPO prior to pre-construction conference. Owner will also furnish Bentley Healthbond 2399 adhesive in sufficient quantities for installation.
- Dumpster for disposal of all materials. Location must be coordinated with POC and GSA building manager.

UNITED STATES PROBATION AND
PRETRIAL SERVICES
DISTRICT OF SOUTH CAROLINA
Columbia Division

Item Three – Rubber Base Demo and Installation

Contractor will be responsible for the following items in each

- Remove and dispose of existing rubber base in specified areas. The painting contractor will phase: remove the base in all other areas where walls will receive new paint.
- Move/relocate and replace all furniture, furnishings, boxes, and equipment (except for computers) necessary to complete installation of base in all areas.
- Install owner-furnished Roppe Pinnacle 4” rubber base with standard toe from a continuous roll. Owner will also furnish Excelsior WB-600 Acrylic adhesive in sufficient quantities for installation.
- Dumpster for disposal of all materials. Location must be coordinated with POC and GSA building manager.

Cleaning

Contractor will clean the space after completion of the items listed above. Contractor will remove any debris and vacuum carpeting. Attic stock will be stored as directed by the POC.

Reference accompanying construction documents for complete scope of work.

3) GENERAL CONDITIONS

Vendor acknowledges and agrees to the following conditions when submitting their bid:

- All work shall be completed Monday – Friday (exclusive of federal holidays) during regular business hours between 8:30 a.m. – 4:30 p.m.
- Building / tenant space will be occupied for the full duration of work.
- Project to be completed to the satisfaction of the court.
- All materials, trash, and equipment must be picked up from site at the end of each day.
- The court is not responsible for any material, tool, or equipment left at the project site.
- Each phase of work shall be inspected and approved by the court before proceeding to the next phase.
- Contractor will be responsible for any damage to the building
- Contractor will be responsible to protect adjacent work areas and finish surfaces from damage.
- Contractor shall field verify all measurements.

All work shall be completed to the best of current industry standards.

The intent of the statement of work provided above is to convey the work that will be covered under the contract when awarded. However, failure to identify incidental items that would be required to achieve the scope provided, will not constitute a change order.

4) LOCATION AND POINTS OF CONTACT

UNITED STATES PROBATION AND
PRETRIAL SERVICES
DISTRICT OF SOUTH CAROLINA
Columbia Division

Work will be performed at the Strom Thurmond Federal Building, 1835 Assembly Street, Suite 611, Columbia, South Carolina, 29201.

The court's points of contacts (POC) are Yvonne Rojas and Michael Ward.

5) PRE-BID TOUR

Only one pre-bid tour will be conducted. Please refer to cover letter for the date and time of the pre-bid tour. Prospective contractors shall seek clarification of elements addressed in the Statement of Work or other aspects of the project during the pre-bid tour.

6) BASIS OF AWARD

Offers are evaluated based on price. Award may be made to the lowest-priced offer or quote which meets the technical requirements outlined in the statement of work and is made by a responsible offeror, subject to the availability of funds. The court reserves the right to issue a purchase order awarding all, some, or none of the project. No additional funds will be added to the awarded contract for any corrections or errors due to failure of the contactor to examine the project or to thoroughly understand the nature and extent of the work to be performed. The awarded vendor will be required to register with SAM.gov or complete the court's AO213 form before a purchase order will be issued. Vendors are required to register with SAM.gov or submit the AO213 form within three (3) days after notice of intent to award.

It is anticipated that the award of this RFQ will be made within 10 business days after proposals are received. The court will notify each vendor if additional time is needed to evaluate the proposals.

7) SECURITY CLEARANCES

All employees working on the project must undergo and pass a U.S. Probation Office background check. The court will provide the awarded contractor with the "Contractor Clearance Form" to be completed by all employees who will be working on site. **The contractor must submit the completed forms to the court's contracting officer (CO) within five (5) days of the contract's award.**

8) REFERENCES

The contractor must supply a minimum of three references, including the following information: company, company address, contact name, telephone number, and email.

9) SAFETY AND HEALTH

- a) All work must comply with the applicable OSHA and EPA requirements of 29 CFR § 1910 and 1926 and 40 CFR § 761. All work must comply with the applicable state and municipal safety and health requirements. If the applicable regulations conflict, the most stringent regulation applies.
- b) The contractor must provide the materials, barriers, and safety equipment necessary to protect pedestrians and property during the implementation of this contract.

UNITED STATES PROBATION AND
PRETRIAL SERVICES
DISTRICT OF SOUTH CAROLINA
Columbia Division

- c) The contractor must provide all necessary safety equipment, ensure that the equipment is used properly, and ensure that safety procedures used are adequate for the job being performed.
- d) The contractor shall remove all hazardous materials brought into the courthouse at the conclusion of each workday or night and at the conclusion of the project unless other arrangements have been made with the court. If any hazardous materials are left in the courthouse at the conclusion of the project, the contractor shall return to collect and properly dispose of the materials, or the contractor will be charged for the disposal of those materials.
- e) The contractor must report any accidents that occur on the job site to the court.
- f) Any construction project should consider Indoor Air Quality (IAQ) in design and implementation. If applicable, during demolition, dust and noise control must be included. During construction activities, dust, and noise, as well as odors and vapors must be controlled. Paints, varnishes, stains, solvents, etc. are to be low- or non-VOC (volatile organic compounds), unless no alternatives are available (documentation of such must be provided). Activities that may negatively impact other tenants in the building will be required to be conducted after normal working hours (after 6 p.m. and before 6 a.m. weekdays or weekends) with prior approval by the court. Ventilation needed to control odors, dust, VOCs, etc., either for protection of construction workers or for deteriorated IAQ of building tenants, will be the responsibility of the courts.

10) INSURANCE CERTIFICATE

Contractor chosen to complete this work must submit an acceptable insurance certificate within five (5) days of the contract's award naming GSA as the insured party. The following insurance coverage is required by Federal Acquisition Regulation (FAR) 28.307-2:

a) General Liability

The contracting officer will require the General Contractors and each of its subcontractors who perform any work on the property to obtain and maintain insurance policies which meet or exceed the following insurance terms, conditions, requirements, and coverages:

- i) Each contractor shall obtain and maintain liability insurance in an amount of not less than \$1,000,000 combined single limit for accidents or occurrences which cause bodily injury, death, or property damage to any member of the public caused by or related to the construction, installation, operation, maintenance replacement, removal or other activity related to the property.
- ii) Each contractor shall obtain and maintain property damage liability insurance in an amount of not less than \$100,000 per occurrence.
- iii) The insurance policy shall name the General Services Administration, its employees, and officials, as their interest may appear, as additional insureds. A copy of the policy's Additional Insured document must be provided to the court prior to commencement of any work.

UNITED STATES PROBATION AND
PRETRIAL SERVICES
DISTRICT OF SOUTH CAROLINA
Columbia Division

b) Automotive Liability

The contracting officer shall require automobile liability insurance written on the comprehensive form of policy. The policy shall provide for bodily injury and property damage liability covering the operation of all automobiles used in connection with performing the contract. Policies covering automobiles operated in the United States shall provide coverage of at least \$200,000 per person and \$500,000 per occurrence for bodily injury and \$20,000 per occurrence for property damage. The amount of liability coverage on other policies shall be commensurate with any legal requirements of the locality and sufficient to meet normal and customary claims.

c) Workers' Compensation and Employer's Liability

Contractors are required to comply with applicable Federal and State workers' compensation and occupational disease statutes. If occupational diseases are not compensable under those statutes, they will be covered under the employer's liability section of the insurance policy, except when contract operations are so commingled with a contractor's commercial operations that it would not be practical to require this coverage. Employer's liability coverage of at least \$100,000 is required.

11) SECURITY DRAWINGS AND BUILDING DOCUMENTS

Associated plans, drawings, or specifications provided under this solicitation are intended for use by prospective contractors. In support of this requirement, the court requires contractors to:

- a) limit reproduction, dissemination, or disclosure of covered materials only to person/s or party/ies related to this acquisition or otherwise authorized to receive such information;
- b) use reasonable care to safeguard any drawings or solicitation documents provided by the court;
- c) and make every reasonable and prudent effort to destroy or render useless all drawings and solicitation documents, with the sole exception of the contractor's record copy.

12) PRE-INSTALLATION REQUIREMENTS

Before repair or installation services commence, the contractor must inspect the work site and ascertain all information necessary for the diligent performance of the contract requirements. The contractor must notify the POCs of any conditions that might prevent the performance of these requirements.

13) SUPPLIES, MATERIALS, EQUIPMENT, AND MOVING

- a) Unless otherwise agreed between the parties, the contractor must furnish and use supplies, materials, and equipment that are commercially available products of reputable manufacturers or suppliers. These supplies, materials, and equipment may not harm or damage the surfaces to which they are applied, or any other part of the building, its contents, or equipment.

UNITED STATES PROBATION AND
PRETRIAL SERVICES
DISTRICT OF SOUTH CAROLINA
Columbia Division

- b) The POC must approve and determine the suitability of the supplies, materials, and equipment used by the contractor before the contractor starts work. Note: The contractor cannot perform work that involves asbestos or lead paint. The court must refer this work to GSA for abatement.
- c) The contractor must supply warranty information on products, materials, and workmanship.
- d) The contractor must post Material Safety Data Sheets (MSDS) for all products used in this project at the job site that could pose a health risk, such as glue, paint, solvents, etc. Additionally, the contractor must provide a copy of the MSDS to the court for any products not furnished or supplied by the court. GSA reserves the right to prohibit the presence, storage, or use of any hazardous material in the building.
- e) The contractor will be responsible for moving all furniture, systems furniture, boxes, and equipment necessary to perform each project.

14) WORKMANSHIP

- a) The contractor must coordinate and schedule all work with the POC.
- b) The contractor must use an adequate number of skilled workers who are thoroughly trained and experienced in the necessary crafts, and who are completely familiar with the specified requirements and methods needed for the proper completion of the work.
- c) The contractor must accomplish all work in accordance with the best practices of the trade.

15) CLEAN-UP

The contractor must cover or remove all furniture from the space to ensure it is kept clean. Any furniture moved from the space is to be returned to its original location upon completion of the project. If the furniture is moved out of the space, the storage location must be approved by the court.

- a) The contractor must remove all debris generated in the performance of this contract daily. The contractor may not use the dumpsters or trash receptacles within the building. Any cost/s associated with procuring a dumpster for this project shall be paid by the contractor. The contractor will inform the POC if a dumpster is needed. The contractor and POC shall coordinate jointly with GSA to select a suitable location for any dumpster. Any cost/s associated with providing space outside the building for a dumpster shall be paid by the contractor.
- b) The contractor must remove and dispose of all unused materials, containers, wrappings, trimmings, and all other debris accumulated during performance of this contract.
- c) Upon completion of the project, the contractor must clean the space before moving back furniture, boxes and equipment. Cleaning must include, but is not limited to, vacuuming and dusting.

16) QUALITY, PERFORMANCE, AND ACCEPTANCE

- a) When a contract is signed, the court and the contractor intend to perform their respective obligations. The court will periodically inspect all work during the performance of the contract to assess the quality of work being performed. The contractor and court will agree to address all performance issues immediately after they are discovered whether by the contractor or the court.
- b) The court monitors contract performance closely to ensure that required end-items are delivered on time and are in compliance with the Statement of Work.
- c) Work shall be completed within 120 calendar days after the pre-construction meeting is held between the court and the contractor. Extensions may be granted, but only with prior approval of the court.
- d) Upon completion of the project, the POC will conduct a walk-through with the contractor to inspect the work. The POC will ensure that the work has been satisfactorily completed and conforms with requirements set forth in the contract. The POC has the right to reject any unsatisfactory material or workmanship.

17) TAXES

The contractor is responsible for taxes on all materials and labor associated with this contract. The Federal Judiciary is a tax-exempt organization and will not pay for any taxes on materials or services.

18) INVOICES

- a) Contractor should clearly specify payment terms on all invoices. If no terms are specified, the invoice will be processed under Net 30 terms.
- b) For payment purposes, the contractor must mark the final invoice for payment as "Final Invoice for Payment."

19) PROCUREMENT PROVISIONS, CLAUSES, TERMS AND CONDITIONS

Once the contractor has accepted a purchase order, by either signing the purchase order or providing the service, this Scope of Work will become the basis for the contract. The contractor selected for this award must abide by all the terms and conditions listed below.

(A) Provision B-1, Solicitation Provisions Incorporated by Reference (SEP 2010)

This solicitation incorporates one or more solicitation provisions by reference, with the same force and effect as if they were given in full text. Upon request, the contracting officer will make their full text available. The offeror is cautioned that the listed provisions may include blocks that must be completed by the offeror and submitted with its quotation or offer. In lieu of submitting the full text of those provisions, the offeror may identify the provision by paragraph identifier and provide the appropriate information with its quotation or offer.
